Dear Mr. Eller:

Enclosed are 40 paper copies and one electronic copy of Supplemental Information for the Application for Certification (AFC) for the Lancaster Energy Facility #1 Emergency Peaker Project. The enclosed material was identified as being necessary for CEC staff to consider the AFC to be data adequate under the CEC's 21-Day Emergency Power Plant Permitting process. The supplemental material is organized as a series of inserts that should either replace existing pages or be added to the AFC. The Supplemental Information includes the following.

1. Replacement of pages iii and 1 -- Change in Table of Contents.
2. Replacement of pages 22 and 23 -- Replacement of Section 4, Power Purchase Contract.
3. Replacement of pages 26 and 27 -- Replacement of Section 7, Hazardous Materials.
4. Replacement of pages 36 through 43 -- Replacement of Section 12, Soils and Water Resources and Section 14, Paleontological Resources.
5. Addition to Attachment G, Water Supply Documents: Addition of Letter showing Water Service Availability, and removal of Letter from Fire Department. (Fire Department Letter already included as Attachment N).
6. Addition of Attachment R, Wastewater Discharge Documents.

As President of Electricity Provider, Inc., I hereby attest under penalty of perjury, that the contents of this application are true and correct to the best of my knowledge.

Dated this 1st day of June 2001.
